

Community Housing Needs Survey

Take our survey and win cash prizes!

Laguna Housing Development & Management Enterprise, with the help of Sweet Grass Consulting, is conducting a housing needs assessment in our community. This study will help us better understand the housing-related needs and desires of our community, as well as provide essential data for bringing new housing resources to Laguna Pueblo. As part of this study, we've have put together an **anonymous** survey to gather community insights from anyone 18 years or older.

Enter cash prize drawings by providing your name and contact information when you fill out the survey. You'll be entered to **win one of ten \$100 prizes, three \$250 prizes, or one grand prize drawing of \$500!** The drawing will occur in early September, after the survey has closed.

Your answers will help us determine local housing desires and preferences, strengths in our community related to housing, and next steps for housing development, including the decision-making and potential financing of housing efforts.
